

# Bio Clean

## Biological Multi Surface Cleaner

*A new approach to the cleaning of sinks, floors, washroom drains and carpets.  
A biological cleaner that digests urine, fats and greases quickly and continues to do so long after application.*

### KEY PROPERTIES

Bio Clean biologically digests to completion the source of washroom odours, continuing to do so long after application. Perfumed to offer a pleasant lasting fragrance, Bio Clean is the alternative to the use of bleach in washroom cleaning.

(Note: bleach is both hazardous to the user and the environment)

- Biological
- Biodegradable
- Hazard label free

### APPROVALS

- German UBA (No 3406-0019)  
- Environmentally acceptable chemical.

### ALTERNATIVE FORMATS

- Bio Clean Pro – 1:1 dilution for cleaning contractors
- Bio Clean RTU – 1:20 dilution for RTU application

### TECHNICAL DATA
