

Bio TCD

Biological Toilet Bowl Cleaner

A new approach to the cleaning of toilets and urinals.

Bio TCD is a biological cleaner that digests organic material rapidly. Unlike traditional bleach based alternatives, it is safe for the environment and without risk to the user.

KEY PROPERTIES

Bio TCD contains biological enzymes, effective biodegradable cleaning agents and additives to dissolve hard water scale. Containing a natural thickening agent, Bio TCD remains until flushed on the bowl surface allowing the bacteria time to digest organic loading.

- Biological
- Biodegradable
- Hazard Label Free
- Septic tank friendly

APPROVALS

- German UBA (No 3406-022)
- Environmentally acceptable chemical

APPLICATION

- Use daily as supplied, preferably late evening – to allow time for biological action to take place

ALTERNATIVE FORMATS

- Bio TCD Pro – 1:1 dilution for cleaning contractors

PACKAGING

4x5L, 12x1L

TECHNICAL DATA

| | |
|----------------|-------------------------------|
| Appearance | White Viscous Liquid |
| pH | 7.5 |
| SG at 20°C | 1.07 |
| Bacteria count | >1.0 X 10 ⁷ cfu/ml |

SAFE HANDLING

Store in original containers and avoid extremes of temperature.
