

Bio Treat

Biological Portable Toilet Additive

Bio Treat is a Biological Portable Toilet fluid that can be discharged directly to the sewer.

Bio Treat is safe to use and without risk to the environment containing a pleasant and long lasting fragrance.

KEY PROPERTIES

Bio Treat degrades urine and faeces rapidly. It is a natural and effective replacement for those still using Formaldehyde based Portable Toilet Fluids. (Formaldehyde is carcinogenic, a water pollutant and requires special handling and disposal methods!)

- Biological
- Safe to use
- Sewer discharge friendly

APPROVALS

- German UBA (No 3406-0031)
 - Environmentally acceptable chemical

TYPICAL USES

- Portable Toilet Additive
